## **A Girl Made Of Dust**

A Girl Made of Dust is a semi-autobiographical novel by Nathalie Abi-Ezzi who, like some of the characters in her story, moved to the safety of England in 1983 when Israel invaded Lebanon. She has written the novel from the perspective of an eight-year-old, but overcame my resistance to child narrators with a vivid story.

## **A Girl Made of Dust by Nathalie Abi-Ezzi - Goodreads**

A Girl Made of Dust is a coming of age story set in the hills above Beirut. The location is very nicely evoked, and the encroaching war (though it is always present in the background) does not overpower the plot. The feeling of a young child observing the world is mostly very well done, and the story is strong enough to draw you in.

Well, here, A Girl Made of Dust gives us both the scene of conflict and the shop. Ruba's home environment is richly described, with vivid depictions of, for example, her mother's cooking, and with a strong sense of place. I found the device of using a child's viewpoint to tell the story to be both appealing and powerful.

Some of the imagery would be shown in a very direct fashion, like our girl made of dust - who was a girl "covered in sand and dirt". Or sometimes she's more subtle about it, weaving together events with words that create an image in our mind.

A Girl Made of Dust is a captivating book bringing the invasion of Beirut in the 80's to life through the eyes of 8-year-old Ruba. Ruba is a very wise and observant child and seems old in many ways, but is very much a child in others. I think this book would be great for book clubs, but more importantly for young adult readers as well.

Karen Hesse's Out of the Dust (1998 Newberry Medal winner) is a poignant coming of age story chronicling a young woman's struggle with loss and hardship during Oklahoma's Dust Bowl. Written in blank verse, its rhythm somehow matches the spare landscape and emotional toil of the protagonist.

The first time I rushed through to get to the end and the second time I slowed down to more fully appreciate the lovely language and authentic setting that Nathalie Abi-Ezzi created. "A Girl Made of Dust" is one of those books you can't help but think about long after you finish. A truly remarkable story.'
