## **Windows Exploitation course review**

Guys, can anyone please share "Module 0x06 64-bit Kernel Driver Exploitation" (pp. 241-291) from Advanced Windows Exploitation Techniques 2012 (AWE v3.0)? It's only 50 pages! (then course will be up to date) All other "modules" are the same as in present topic (at first glance, probably). Thanks in advance!
