Maintaining your OnSite AED is a very simple task that is made up from a few easy steps that are necessary to make sure that your AED is in working order when you need it. It is important to not miss a single step when checking your AED, so we made a list for you. 1. Check the status indicator on your AED to make sure that it is blinking green.

How to Maintain a Philips HeartStart OnSite AED

The Monthly Cleaning Checklist is great for knocking out some of the items that we don't need to clean as often and may have forgotten about. I try to tackle one of these things each day or maybe a few each weekend when I'm not as busy. Some of these things get done every other month instead of monthly, and that's ok too.

Printable Cleaning Checklists for

On the house cleaning checklist pdf that I made for you, you will notice that I have a place for daily chores. These are the most important cleaning tasks. If you don't have time to do some of the weekly or monthly chores, it is ok. If you occasionally miss cleaning the bathroom mirrors, everyone can still be happy and healthy.
