African Youth and the Persistence of Marginalization ...

The much heralded growth and transformation of many economies in sub-Saharan Africa over the last decade continues to receive prominent attention in academic scholarship and among policy practitioners. An apparent feature about this transformation, however, is that Africa's youth appear to have been left out. This book critically examines the extent and consequences of the marginalization of ...

Access Free African Youth And The Persistence Of

Marginalization Employment (SSA) is lower than several other regions of the world, it is still high at 20 percent (African Economic Outlook 2013; ILO 2012). Youth unemployment is therefore a major concern to governments in the region and is seen as undermining Africa's demographic dividend (ILO 2012).
