James M. Skibo (born January 7, 1960) is an American archaeologist and currently is a professor and Chair of the Sociology and Anthropology Department at Illinois State University. His archaeological research focuses on the production and use of ceramics as well as the theory of archaeology and ethnoarchaeology.

James M. Skibo - Wikipedia

Etymology. The word ant and its chiefly dialectal form emmet come from ante, emete of Middle English, which come from æmette of Old English, and these are all related to the dialectal Dutch emt and the Old High German āmeiza, from which comes the modern German Ameise. All of these words come from West Germanic *ǣmaitjōn, and the original meaning of the word was "the biter" (from Proto ...
