Celica 3sge Vacuum Guide - mail.trempealeau.net

Having already researched this swap into 1st gen Celicas, I knew that by using an AE86 front cross member, which bolts up to the Celica's frame rails by redrilling the bolt holes on the cross member, I could use Xcessive Manufacturing's engine mount brackets designed specifically to mount the 3SGE into the AE chassis. So I grabbed an AE86 cross member from our homeboys at Cyrious ...

Is there a service manual in existence for the 3SGE beams? Blacktop, Redtop or Greytop will do. I just want to have a look through it for the Altezza but it just describes the IS300 not the 3SGE. I did ask Toyota about servicing it but firstly they don't really want to service it because it's a "Lexus" and then I asked a friend who works there to find me a service manual, there doesn't seem to ...
