Detroit Marine Diesel Series 60

The Detroit Diesel Series 60 is an inline-six 4 stroke diesel engine produced since 1987. At that time, it differed from most on-highway engines by using an overhead camshaft and "drive by wire" electronic control. In 1993, it was popular on many USA buses in the 11.1 L (677 cu in) displacement.

Detroit Diesel Series 60 - Wikipedia

Under Penske's command, Detroit Diesel's over-the-road market share went from 3% to over 30% on the back of the Series 60. Now with the merger of MTU and Detroit Diesel, the marinized Series 60 is being marketed to the marine industry as the MTU Series 60. With a turbocharger, supercharger and large injectors the company is rating its high-horsepower model at over 800 hp at 2300 rpm. Other marine versions are available under 500-hp from the same block. Key Features

MTU Series 60 | BoatTEST

This was the opportunity Detroit Diesel grasped to show its new pleasure rated Series 60 marine engine to the press and public for the first time. Rated for recreational applications at 522 kW (700 horsepower) at 2,300 rpm, the 12.7-liter in-line six-cylinder engine was originally developed by GM for automotive and off-road applications in 1987.

DETROIT DIESEL SERIES 60 OPERATOR'S MANUAL Pdf Download ...

Series 60. Produced from 1987-2011, the Series 60 is an inline-6, 4-stroke diesel engine with displacement ranging from 11.1 to 14 liters. It features a drive-by-wire electronic control system as well as an overhead camshaft. Since 1992, more Series 60 engines have been sold than any other make or model, and it's a staple for marine applications due to its compact size and fuel economy.

Detroit Diesel Marine Engines in Stock - Depco Power Systems

In a bid to save fuel, the engineers at Detroit designed the 60 to idle at very low speed. However, it took Detroit about 10 years to realize that the engine's idle speed was not fast enough to operate the oil pump. As such, many older (pre-1997) engines have had lower engine bearings replaced more than once due to oil starvation.
