LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

I have an Electrolux Insight cooker and have a problem with the hob control. When I try to switch on the hob the cooker bleeps briefly and the individual switch lights flash but the hob fails to allow me to turn on the individual rings. The oven and grill switches on as it should. Can you help please. The cooker is less than two years old. Many ...
