JOHNSON EVINRUDE - Service Manual Download

Evinrude outboard engines are lightweight and feature quiet operation. Due to the presence of the E-Tec direct injection system, boat engines are highly economical, since the fuel is supplied directly to the combustion chamber, where it is layer-by-layer burning. Manufacturers have equipped outboard motors with a quality control system, which ...

Flush the outboard with fresh water following use in brackish or polluted water to minimize the accumulation of scale and silt deposits in cooling system passages. The outboard must be placed in the (down) position in a well ventilated area, be sure the cooling system is drained completely. Never place the gear case higher than the power head.
