Trucks That Mean Business | Freightliner Trucks

The first clean-sheet COE design from Freightliner since the Daimler acquisition, the Argosy largely eliminated the engine intrusion into the cab, sharing many body components and electronics with the Century Class conventional. In 1999, Freightliner built its one-millionth vehicle. The Century Class conventional model family was expanded, adding the Columbia conventional. While sharing the same cab structure, the Columbia is developed primarily for fleet applications (though both model ...
