identity performance. It is an incredible portrayal of the partnership between trans issues and gay and lesbian issues that I applaud with a full heart."

Amazon.com: In a Queer Time and Place: Transgender Bodies ...

Considering the sudden visibility of the transgender body in the early twenty-first century against the backdrop of changing conceptions of space and time, *In a Queer Time and Place* is the first full-length study of transgender representations in art, fiction, film, video, and music. This pioneering book offers both a jumping off point for future analysis of transgenderism and an important new way to understand cultural constructions of time and place.

In a Queer Time and Place - NYU Press

Queer time is not linear, and so these effects on the body are not linear either. As Fleishmann describes how transitioning makes a trans person seem younger, they show the nature of queer time. The goalposts of the traditional cis het person are irrelevant to the queer body, which rejects institution, and yet are sometimes upheld by queer people.

Queer Time and Its Effects On the Body | Lambda Literary

"Queer Time" has been theorized and discussed by countless members of our community. Even searching the term online can bring up endless think-pieces, all with their own observations on how time can operate much differently for us, even though we're living in the same society.

Heterotemporality and "Queer Time" | by Jules Rylan | Oct ...

Queer scholar Jack Halberstam's 2005 book *In a Queer Time and Place* argues that "queer uses of time and space develop... in opposition to the institutions of family, heterosexuality, and reproduction." Queerness itself is "an outcome of strange temporalities, imaginative life schedules, and eccentric economic practices."

In a Queer Time & Place: Transgender Bodies, Subcultural ...

Queer time can be defined as a way of being that exists beyond the linear and conventional notions of familial institutions and biological reproduction. It allows for a reinterpretation of family and a radical reformulation of kinship. Catherine Opie, Mike and Sky, 1993

Queer Time and Space: Family Structures and Kinship ...

Time Binds is a powerful argument that temporal and sexual dissonance are intertwined, and that the writing of history can be both embodied and erotic. Challenging queer theory's recent emphasis on loss and trauma, Elizabeth Freeman foregrounds bodily pleasure in the experience and representation of time as she interprets an eclectic archive of queer literature, film, video, and art.

Queer Theory Texts | Shmoop

If queer theorists have agreed on anything, it is that for queer thought to have any specificity at all, it must be characterized by becoming, the constant breaking of habits. *Queer Times, Queer Becomings* explores queer articulations of time and becoming in literature, philosophy, film, and performance.

Queer Times, Queer Becomings - SUNY Press

In *Beside You in Time* Elizabeth Freeman expands biopolitical and queer theory by outlining a temporal view of the long nineteenth century. Drawing on Foucauldian notions of discipline as a regime that yoked the human body to time, Freeman shows how time became a social and sensory means by which people assembled into groups in ways that resisted disciplinary forces.
