### Multipliers How The Best Leaders

In Multipliers: How the Best Leaders Make Everyone Smarter, authors Liz Wiseman and Greg McKeown refer to those with the mindset represented by the first assumption as Diminishers and those with the mindset represented by the second assumption as Multipliers. It explains why some leaders create intelligence around them, while others diminish it. The value of Multipliers is that it shows what these assumptions about people look like in practice and how they are reflected in your behavior. How ...
