### Passions And Tempers A History

Passions and Tempers: A History of the Humours is the first book ever to recount the full history in the West of the system of the four humours - blood, phlegm, cholera, melancholy - fluids within the organism that, for 2500 years, were deemed to determine health and illness, mood and temperament.

### Passions & Tempers, a History of the Humours - Humoural ...

Instead, *Passions and Tempers* is a detailed history of western medicine, from pre-Socratic thinkers through Plato and Aristotle, Hippocrates and Galen to the late 19th century. It is fascinating reading not only because of the detail and depth - Arikha not only summarizes humoral theory (and its evolution), but also explains the reasoning behind the ideas of how the human body was thought to work.

### Passions and Tempers: A History of the Humours: Arikha ...

"Passions and Tempers may excite passions and tempers in some of its readers, as a good work of intellectual history should. You will learn a lot from its pages." —Washington Post The humours—blood, phlegm, black bile, and cholera—were substances thought to circulate within the body and determine a person's health, mood, and character.

### Passions and Tempers: A History of the Humours - Noga ...

Passions and Tempers is a real treat. Noga Arikha has written a lucid book that provides a concise history of humours and how they evolved from Hippocrates in the 5th century B.C. to the mid 20th century A.D. Arikha sought neither to revise nor to add new evidence on the history of humoral medicine, so...
