Yes, this is sort of a textbook. Yes, it contains nearly 800 pages of information. Yes, it is highly technical at times. But there really is no better or more widely accepted guide to project management than the PMBOK Guide. The guide is compiled by The Project Management Institute, a group that sets the industry standards for project management.

The 7 Best Project Management Books

Frequently Viewed or Downloaded. These listings are based on the number of times each eBook gets downloaded. Multiple downloads from the same Internet address on the same day count as one download, and addresses that download more than 100 eBooks in a day are considered robots and are not counted.
