I broke the door latch on our J845 by pulling too hard. After stuffing around for hours, including taking half the machine apart, it turns out the simple solution is to slide a butter knife in between the broken white door release and the metal latch you should be able to see inside. This opens the door every time.

Samsung wants over \$300 to repair it... Bigger that... so I really need the service/repair manual for this machine. I have scoured the internet to find a copy but could only get one for a RB33GWYTLW which looks to have a similar board but prefer to go off the one for my model. The J845 and J1045 are the same machine but with different spin speeds.
