This page attempts to associate books with the Reigns of Valdemar royalty. It also attempts to include short stories from the anthologies, but that effort is incomplete/ongoing, especially as some short stories do not identify their own time period. However, this page is a helpful way to view the connections as accurately as possible. The dates are from the Official Timeline for the Heralds of ...

Tempest by Mercedes Lackey, Paperback | Barnes & Noble®

The setting of the books is generally in the lands south of Valdemar such as Rethwellan, although there is a brief sojourn in Valdemar in Oathbreakers. Despite limited time in Valdemar, there were references in the first two Vows and Honor books to the Companions of Valdemar which laid early hints to their nature. The introduction of a fourfold deity (Tarma's Goddess) was something of a novel idea at the time of publication.
