Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day.

The User Experience Team Of

For me, the User Experience Team of One was exactly the resource I was looking for. It provided an overview of the field, ways to advance personally and professionally, and most important - it also talked about how to advocate within your role if you are the sole UX Designer in an organization.
