Economics For Everybody is an economics course: its economics meshed with Biblical theology and a smattering of history thrown in for good measure. This isn't your standard economics course. This course will teach you what the Bible says about economics and how we as Christians should view the subject.

It was a decent book, it provided the basics of economics which I should've expected. It is Economics for everybody... I learned most of this stuff in my Tenth Grade History class, but I did learn some new things such as the bank system, how it works, the investment system, and a brief introduction of the investment field.
