Transcultural history : theories, methods, sources - edoc

Transcultural History reflects critically on the way history is constructed, asking who formed history in the past and who succeeded in shaping what we call the master narrative. Although trained European historians, the authors aim to present a useful approach to global history, showing first of all how a Eurocentric but universal ...

Madeleine Herren - Wikipedia

At heart, a transcultural history of Europe examines the topic of cultural transfer, above all those cultural assets tied up with identity (i.e. Kultureme). These Kultureme have drawn on a multiplicity of cultures including the ancient world, the three main religions of Europe (Judaism, Christianity and Islam), a number of regional and local cultural spaces, and the variations within these ...
