Transition: The Journey. Children's lives today are so much more hectic than ever before. Going to a setting for the first time, moving to another one, starting school or moving into a new class are seen by many people as a normal part of the lives of children. Yet transitions are milestone events for children and have a definite effect on their development.

Transitions - Early Years Matters

The principle of well-planned transitions and of working with parents to ensure that children's needs are met appropriately is embedded within the Early Years Foundation Stage (EYFS). Transition should be viewed as a process rather than a single event and children, practitioners and parents should all be involved in the process.
