The Felucian landscape was full of bright colors. "The use of Imperial Scarlet predominated, with gold, silver, blue and green accenting various features. Just when the clash of color would become too much, we'd walk past an alcove or a wall panel that housed artwork from one of the myriad planets in the galaxy." — Corran Horn [src]

TheForce.Net - Books - Review: Republic Commando: True Colors

Republic Commando: True Colors is the third in the planned series of four novels by Karen Traviss. The first novel, Hard Contact, was published as a tie-in to the LucasArts videogame Republic Commando and exceeded all expectations for a videogame spinoff (unlike the disastrous Star Wars Galaxies: The Ruins of Dantooine, published around the same time).
