The television was invented in the early 20th century as a novel way to transmit moving pictures through radio waves. Early television sets actually used mechanical means to etch out a picture from a signal using a Nipkow Disk, with the first demonstration taking place in Paris in 1909. This early "television" technology was capable of transmitting an 8x8 pixel image, with the first ...

### **PDP TV Training Manual**

Damon Morrows book on Plasma TV repair is a highly technical manual that goes deeply into the theory and troubleshooting of Plasma TV's. I found some portions of his book were so hard to follow I had to skip over many sections, but I still found there were some helpful sections, and since he offers a 60 day money back guarantee I feel okay about listing it.
