Vincent (Men of Honor, #2) Book Discussion

Live hard, f*ck harder and follow only their own rules. Those are the cornerstones the six men of the Haven Brotherhood live and bleed by, refusing to conform to society's expectations, taking what they want and always watching each other's backs.

Nikolaj Men Of Honor Vol 1 - inkyquillwarts

The group adopted the name the "Society of St. Vincent de Paul" in honor of the saint revered for his work among the needy. The Society quickly established a relationship with Sister Rosalie Rendu, a member of the Daughters of Charity, who organized the distribution of aid in one of Paris's most impoverished neighborhoods.

Chapter VII. An instance of chastity which teaches us that all men should not be emulous of all things. For apart from that loss, which we have said that a monk incurs who wants in light-mindedness to pass from one pursuit to another, there is a risk of death that is hence incurred, because at times things which are rightly done by some are wrongly taken by others as an example, and things ...
