If you love azalea and rhododendron shrubs, then repeat bloomers are perfect for your garden. Although they are not the most fragrant flowering bushes, many of the reblooming varieties bloom in spring, summer, and fall, and fill the outdoor space with flower colors ranging from white and pink to red and purple.

### 7 Stunning Azaleas that Bloom More than Once

Azalea bloom times depend more on the weather than on day length. Thus, the actual bloom dates may vary a week or two either way depending upon the weather—a warm spring gives earlier blooms, while a cool spring gives later blooms. Similarly, they will bloom earlier in warmer zones, and later in cooler zones.
